**Comments:**

## Maine Universal Service Fund

Pursuant to the requirements of 35-A M.R.S.A. §7104, during the past quarter year, FairPoint Communications contributed 2.0 percent of its Maine intrastate revenues to the Maine Universal Service Fund.

## Important Message Regarding Federal Charges

Effective January 1, 2017, the Federal Subscriber Line Charge presented on your bill may change. This charge is required on residential main and additional telephone lines, single and multi-line business lines, Centrex lines, and ISDN BRI or PRI lines. If this change occurs, it will not apply to customers who receive Lifeline Program support.

In addition, your Federal Universal Service Fund (FUSF) surcharge may change effective January 1, 2017. The FUSF surcharge, which is authorized by the FCC and reviewed quarterly, helps fund programs that provide discounts to schools, libraries, rural health care providers and low-income families. This charge is not applied to Lifeline program participants, except for the FUSF surcharge on incidentals.

## Important Information

Effective January 1, 2017, the late payment charge, which may be applied to bills paid after the due date, will increase to a rate of 0.911% per month and the interest rate paid on deposits held by FairPoint as security for telephone bill payment will change to an annual rate of .63%. Both the late payment charge rate and the deposit interest rate are mandated by the Maine Public Utilities Commission.

## Current Telephone Service

*Non-Payment of Basic Service Charges noted with an asterisk (\*) may result in disconnection of your local telephone service. Items without an asterisk (\*) denote Optional Service. If an amount has a credit, payment is not due.*
