For Your Information

Pay By Phone Service

Pay By Phone service is optional and provided by a third party vendor for a fee. This service is not provided by Verizon and Verizon does not impose the fee. Verizon only collects the charges on your bill.

Previous Payment

If you sent a payment that we did not receive in time to be reflected on this bill, please deduct that amount before sending payment. To check whether your payment has been received, call the Payment Questions number above.

Returned Payment

If your payment is returned for any reason, Verizon will resubmit it electronically. A charge may apply for each payment returned.

Late Payment Charges

To avoid a late payment charge, full payment must be received by the due date shown on page 1. For TV, data and wireless services, the late payment charge is 1.5% or \$10, whichever is greater. For all other services, the late payment charge is 1.5%.

Tax & Fees

Federal Subscriber Line Charge funds part of the cost of providing long distance companies access to local telephone networks. It is applied per line.

Federal Universal Service Fee helps keep telephone service affordable for high cost areas, rural health-care providers, and library internet access.

911 Charge funds your community's 911 system. This fee is sent to your state/county treasury.

The Federal Communications Commission (FCC) authorizes Subscriber Line Charge and Universal Service Fee.
